Library

- Oral History Project – Friends of Smyrna Library Board Member, Bill Marchione has been working on an oral history of Smyrna project for the past two years. This week Mayor Bacon became the latest participant in the project. He met with Bill at the Library for several hours, recording memories of Smyrna and city government. He also shared many historic photos.
- Friends Book Sales – FOSL is hosting a pop-up book sale of hardback fiction in the Library atrium through Sunday, November 5.
